

Hi, I'm Melissa Gamo.

**This is a quick overview
of my portfolio.**

**I'm a product designer by day,
wanderer all other times.
Creative at heart.**

**Currently at Uber, formerly at Postmates,
and Zaplabs.**

**In another life, I was a Stranger-for-hire,
creating brands and award-winning
packaging for companies.**

Constellation Wines
Moët Hennessy
Proximo: Jose Cuervo, Hangar 1
Bacardi Limited: Grey Goose

Robert Mondavi
Uniqlo
Fernet Branca

Red Bull
Sephora
and many others.

In my career I've designed quite a few things now.

**But it all started with a pencil, paper, maybe
some crayola crayons as a kid**

**Which later turned to Paint Shop Pro,
Adobe CC, Sketch, Figma, etc.**

Let's do a quick run down shall we?

Let's start at ZapLabs with Zap

“Exemplary dishes, with amazing food quality. It didn't seem like I was buying for home—I thought I was tasting food straight out of the restaurant. I went to Momofuku back in 2018 and I'm so glad I can taste the dishes in the comfort of my home again!”
